

Tarot Reading for Love Example

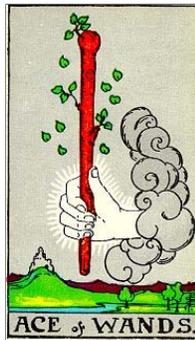

Knowledge of the future can bring peace of mind. Tarot cards have been used for centuries, by many people worldwide to reveal future trends and possibilities, and guide them when making decisions. The messages and guidance offered by a Tarot Reading will be honest and give clarity, meaning and validation to the recipient. Moreover, Tarot Readings can provide flashes of inspiration where otherwise the problems the person may be facing may seem insurmountable.

5 Needs

1 Future

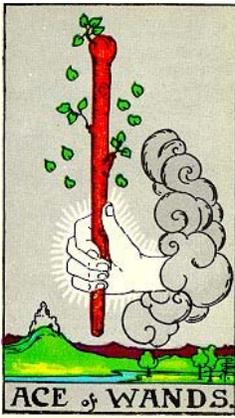

4 Change Type

2 Changes

3 Causes

1 Future: Ace of Wands

What is coming up.

Romance

You won't want to experience life alone or have a "part-time" relationship; you will want a full-time partner. And though you will be willing and receptive to those who advance, the time won't be ripe to reap the full harvest.

Beginnings

Productivity in the area of innovative ideas or a business of your own will increase, and a new and useful product will be realized or in demand.

2 Changes: Four of Swords

What conditions will change.

Romance

You will experience a feeling of being "cut off or out of touch," but your determination to overcome negative conditions will win out.

The Home

You'll be immersed in your work, and someone you didn't expect to hear from will call (like an admirer who is a voice from out of the past). This could also indicate a call from someone in a legal profession.

Surprises

You will be surprised by someone who calls, asks you out, or strikes your fancy. This could also indicate an encounter with someone who is in the news media, police department, or legal field.

3 Causes: Five of Wands

What will cause changes.

Romance

Love or romance will find you, but your feelings will be "suspended" because your mind will be on other things.

Others

You will feel as if you're making a trade-off or compromise, but you will not let that happen. Instead, you will take steps to assert yourself and correct the situation.

Surprises

You will be surprised because the one you want to hear from calls and/or at the eleventh hour, when you least expect it, a miracle happens.

4 Change Type: Six of Pentacles

The way things will change.

Romance

You will be wishing or hoping a lover will call or come by.

The Home

You're too socked into your work. You need to get away from it to relax and unwind. If you keep pushing yourself, you'll have an uphill battle the whole way.

5 Needs: Page of Cups

What you need to understand or do.

Romance

You will be anxious about how things will turn out in the future but you hope they will; however, involvement will be slow.

Guidance

Mundane: Don't bite off more than you can chew in your passion to go forward, or you will find things hard to swallow. The time is not right, and you are not ready or fully prepared.

Esoteric: Don't think you're alone or that you're not being helped. It's fear and impatience that blinds you from the truth or deafens your receptivity to the spirit. When it no longer serves your growth to not know something, you will know.

6 Outcome: Four of Wands

Future wants and outcomes.

Outcome

Action will be taken to correct for losses or mistakes, and instead of quitting, you will be participating even more, with the knowledge that the universe DOES know what It's doing.

Romance

You are going to be disappointed because plans to unite with the one you want to see or be with will fail or be cancelled, at least for now.
