

## SOLAR FIRE DYNAMIC INTERPRETATIONS REPORT

### **TRANSITS: Transits to Natal Interpretations**

These interpretations have been written to apply to transits to a geocentric tropical natal chart using a quadrant-based house system.

When using these interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection of what is happening to the individual whose transits are being interpreted, as people do experience conflicting desires, events and circumstances in their lives. It is in the best interest of the individual to contemplate any apparent contradictions in order to receive a cohesive and realistic interpretation of the chart, and to understand themselves better.

Exact Mar 1 2022, Exact Oct 6 2022, Exact Nov 8 2022

You feel like you are capable of climbing mountains and you probably are. You have a realistic idea of your own capabilities and the ability to take appropriate action. You have plenty of drive for hard work with a good understanding of when to take time out to smell the roses. You may also find that others recognise and reward your confidence and achievements.

**TRANSITING JUPITER QUINCUNX RADIX VENUS (5th House to 10th House)**

Exact Mar 3 2022

This is the time to say goodbye to loved ones, either literally or emotionally. It could be that a special friend is leaving for greener pastures, or that you feel it is time to part company from a loved one because you have grown apart. Sometimes it is simply that a key relationship in your life needs to adjust in order to meet changing circumstances. Either way this could be a painful time. However, you will eventually see the advantages in making the changes.

**TRANSITING SATURN QUINCUNX RADIX URANUS (4th House to 11th House)**

Exact Mar 16 2022, Exact Sep 2 2022, Exact Dec 10 2022

It's out with the old and in with the new as you either discard old patterns of behaviour or literally leave behind structures that have supported you in the past. It is an ideal time to give up bad habits and free yourself for new and exciting times. This could be an exhilarating time, or you could feel as though the rug has been pulled out from under your feet. Nevertheless now is the time to feel the fear and do it anyway.

**TRANSITING CHIRON CONJUNCTION RADIX SATURN (6th House)**

Exact Mar 18 2022

You are undergoing a maturing process which presents certain difficulties and consequent emotional pain. It is time to leave behind childhood hurts and fears and build a solid basis for the next phase of your life. This could mean literally leaving home and fending for yourself, or it may mean cutting emotional ties with your past. Your parents, in particular your father, can feature during the transit as you learn to stand on your own two feet. Deep down you know your true purpose and now you have to resolutely work towards achieving your inner ambitions.

**TRANSITING JUPITER OPPOSITION RADIX PLUTO (5th House to 11th House)**

Exact Mar 18 2022

Life can take on an explosive quality during this period as you struggle to achieve your goals. It seems as though other people and external events are deliberately plotting to thwart your every move. However, it may be that you are going overboard in your attempts to get your own way. The trouble is that you want to make great changes in your life, but lack the necessary tolerance and patience to get the timing right. Power and the abuse of power may become a focus of your life. You would be wise to muster as much restraint as is possible or you may simply go too far and lose the lot.

**TRANSITING SATURN QUINCUNX RADIX MERCURY (4th House to 9th House)**  
Exact Mar 20 2022, Exact Aug 27 2022, Exact Dec 15 2022

**TRANSITING JUPITER QUINCUNX RADIX MARS (5th House to 12th House)**

**TRANSITING JUPITER SESQUISQUARE RADIX JUPITER (5th House to 9th House)**  
Exact Mar 27 2022

This can be a time of frustration, accompanied by a feeling that you will never achieve your goals. The obstacles seem too high to climb over and too wide to walk around. You are forced to slow down and reassess your life's path. Although this is obviously a difficult period, benefits can come from the process of reassessment. Have some patience and you will discover the advantages of this period through the wisdom of hindsight.

**TRANSITING JUPITER OPPOSITION RADIX URANUS (5th House to 11th House)**  
Exact Mar 28 2022

This transit can indicate a sudden and dramatic change in your life ranging from simply a break in your routine to a breakdown in a relationship, career or way of life. On the one hand you feel a strong urge for a change of scenery, but on the other hand you feel rattled at the thought of breaking new territory. In some cases you may feel that there are obstacles, in the form of responsibilities to other people, which are holding you back. Either way it is time to ponder on your life and use this time to free yourself of restrictions. You will be grateful for the new-found freedom

in the end.

**TRANSITING JUPITER SEMISQUARE RADIX NORTH NODE (5th House to 6th House)**

It is more a sense that your relationships with individuals and groups of people are not quite all that they should be. Perhaps you feel that you are being held back by certain affiliations. You may even feel anti-social, more in the mood to reassess your personal and business relationships than to mix. You would do well to wait until you are in a better frame of mind before making any final decisions.
